

Remembrance Poster Competition!

Calling everyone at Christchurch School!

We would love you to design a poster for us. We can't hold a Remembrance Sunday service this year, but we still want to remember all those who gave their lives for our freedom in war.

And this year, we would also like to remember the brave NHS workers and others who have died treating people with Covid-19.

So - could you design a poster for us? We'd like a poster which has a poppy, a rainbow, an NHS sign and the word 'Remember'. It needs to be nice and bold and stand out!

The winning entry will be enlarged, professionally printed and put on our front gate on Oystermouth Rd. Tens of thousands of people will see your poster! And it will help them to give thanks for the brave people who gave everything to help us.

Do your entry over half term, and bring it back to school on **Tuesday 3rd November**, when we will judge the winner. Good luck!

Rev Ian and everyone at Christ Church, Sandfields.
