

Features of A Poem

Learning objective: To recognise the features of a poem.

The splendid sun shining over marvelous Mumbles,
Everyone queuing for a joyous Joe's ice cream,
Lovely Langland full of peaceful people,
Building sensational sandcastles,
The arcade heaving with humans,
As the slot machines illuminate intermittently,
The lifeboat station with its fascinating facts,
Bringing historical experiences to mind,
Oystermouth Castle on the high rise hill,
Gazing gravely over the village below,
Underhill park green and great,
With children playing fantastic football,
Schools joyful and jolly,
People praying in the Methodist church,
The pier a super seaside landmark,
How I long for my normality back.
