## Collective Worship

Church in Wales schools are committed to offering high quality collective worship. They are places that recognise and value collective worship as central to fostering a sense of **Cynefin** and to expressing the school’s Christian vision. In practice this means that structure, planning, evaluation, participation, collaboration, and inspection of worship are all taken seriously by the school, the diocese and Church in Wales Education.

In Church in Wales schools, collective worship is seen as more than a daily ‘awe and wonder’ moment. It is the unique heartbeat of the school and is offered as part of a wider opportunity for learners and adults to encounter faith by engaging in conversations about God, both as individuals and together.

This form of encounter through worship should be truly welcoming, inclusive and exemplifying the principles of Christian hospitality. This is an approach that seeks to meet the needs of all, wherever they may be on their journey of faith and belief.

Collective worship in a Church in Wales school will do the following:

- Develop learners’ understanding of the traditions and practices of the Church in Wales
- Contribute significantly to the spiritual development of all members of the school community
- Employ a blend of approaches to worship relevant to the context of learners and the school’s Cynefin
- Afford opportunities for children and young people to take increasing responsibility for leading, monitoring and evaluating collective worship
- Contribute positively to the well-being of all members of the school community
