The Governing Body under the chairmanship of Kay Piper continues to work closely with the school in a range of strategic and supportive ways. There have been four full meetings of the Governing Body, nine sub committee meetings during the academic Year 18-19. At these meetings Governors have considered issues relating to: the upkeep of the building, accommodation, staffing, allocation of allowances to teachers, finance, curriculum matters including data, Governor training, and Admissions Policy. All Sub Committees have met each term to discuss relevant matters and reported back to the full Governing Body. Governors have taken responsibility for areas of whole school policies and subject areas and every governor sits on at least one subcommittee according to the expertise they can offer the school. Link Governors visited the school to liaise with their link teachers and observe learning. Mrs Timpson is the Governor responsible for Child Protection; Mrs Helen-Marie Davies is the member of staff who also has responsibility for Child Protection.

The school has a current Accessibility Policy, Disability Equality Scheme and Equal Opportunities Policy (copies available from the school office). The school prospectus has been updated to include new photos and staff updates

The children and staff carry out fire drills termly. The Health and Safety Sub committee have observed each drill, and found the system to be efficient. The school prospectus for 2019-2020 has been reviewed and updated and the information was compiled in accordance with the Welsh Assembly Circular 22/96 – School Prospectus – checklist of contents.

Additional Learning Needs (ALN) Arrangements

Class teachers meet together in after school 'ADDS' sessions to discuss the needs of individual pupils. The ALN list of pupil needs has been reviewed and updated. Individual Education Plans (IEP's) Key Stage 2 and Play Plans in Foundation Phase are drawn up collectively, implemented by the class teacher and support teacher and reviewed regularly. There is a school list of more able pupils, which is based on teacher assessment, reading and mathematics tests. Teachers are aware of the range of ability within their classroom. Teachers differentiate and extend work as appropriate. All staff received training from the local authority on target setting for individual pupils.

There is a revised Code of Practice (for Wales) together with an amended format to IEPs. Mrs K Timpson is the governor who has responsibility for ALN. Miss Tregembo is the ALN Co-ordinator. Provision maps have been drawn up for all age groups identifying strategies in place to meet the needs of all learners. Extensive work on data analysis has been carried out to track the progress of all learners and groups of learners including ALN, English as Additional Language (EAL), Free School Meals (FSM) and More Able and Talented (MAT).

The school has established 'Catch Up' groups for numeracy and literacy in key stage 2. The new way of working in Foundation Phase and key stage 2, teaching to stage not age, allows teachers to focus skills appropriate to pupil abilities. Smaller groups also allow the teacher to direct individual support more often. A whole school reading focus has resulted in a well attended lunchtime reading club.

Curriculum

Teachers in key stage 2 and Foundation Phase are beginning to reflect the new curriculum for Wales, focusing on six areas of learning and the four core purposes. All classes are mixed age. All pupils in key stage 2 and Foundation Phase are taught as a unit with a focus on teaching to stage of learning not age of the pupil. Teachers ensure that learning is fun and where possible a multi-sensory approach to learning is adopted. Teachers will often plan visits to enhance the learning experience for children. All classes have enhanced the curriculum with educational visits. Visits include the library, church, local parks and places further afield such as the War Museum and Wiggley's Farm

General Information

Children have experienced a range of sporting activities throughout the year:

We held a successful sports day in July for the whole school with the parents' races becoming a well attended event!

24 pupils took part in the West Glamorgan County Championships and two successful athletes went through to the county finals.

Sports Ambassadors have been selected and attended training. The children have established a School Council, which is working really well.

Miss Herbert held meetings where the representatives from the classes raised issues and developed projects.

Toilets

We have one toilet facility for the foundation unit with 3 cubicles. These toilets are also used at playtimes and lunchtime. We have a toilet facility for the girls with 3 cubicles and a toilet facility for the boys with a urinal and 1 cubicle. Toilets are cleaned daily and are checked throughout the day by staff. Toilets are refurbished to maintain a good standard of provision.

Accessibility

Ramps are situated in various parts of the school to allow access for disabled pupils; there is also toilet provision for both disabled adults and pupils. There is complete access at ground floor level for disabled pupils and adults. The school won the Lord Mayor's design award for accessibility in the year 2000, supporting the fact that the school takes all reasonable steps to prevent disabled pupils being treated less favorably than other pupils. The school has established an Accessibility Plan and Discrimination Equality Scheme.

A range of school policies have been reviewed this year, a full list is available on page1.

Social Services have been consulted on pupil welfare on 3 occasions during the last school year.

Visitors to School

- Bishop John visited school to take Collective Worship
- John Meredith (Diocesan Director) has visited regularly throughout the year.
- Rev. Ian Folkes has visited weekly for Collective Worship and members of the church have helped to organize a monthly 'messy church'.
- Members of Christchurch Church set up a 2 day 'prayer spaces' event which all pupils thoroughly enjoyed.
- The Educational Psychologist has made visits to the school to provide support and strategies for children in need.
- The Educational Welfare Officer has made visits to the school throughout the year providing strategies to raise percentage attendance.
- Darren Casker, our School Development Advisor visited twice, once for the autumn core meeting and during the summer term to carry out a "learning walk".
- Community Police Officer Dave Moore supported and attended the annual 'pupil of the year presentation'.
- Helen and Simon Moores from Spring Terrace Church have visited regularly throughout the year to take Collective Worship and after school 'Fun Club'.

We have provided a full range of after school activities providing opportunities for our children to discover academic, creative and physical talents. Very special thanks to all the staff and volunteers who help us to provide the vast range of clubs.

Transition links between Dylan Thomas and Bishop Gore have been very good. The children have participated in a range of activities. Staff have worked closely with Dylan Thomas school and cluster schools standardising and moderating levelled portfolios of children's work.

Adults

We must thank the PTA for their continued support. The members give their time generously to raise money and arrange fun activities. The PTA contributes greatly to the children's experiences and the memories created will stay with them forever.

Mr Hunter and Miss Herbert completed NC teacher assessments in the summer term. We have used National reading and maths tests with Foundation Phase and Key Stage 2 pupils to monitor progress; we have also tested the children using an NFER spelling test. We hold computerised tracking sheets for all pupils.

Charitable Funding

The children have worked hard to raise money for worthwhile charities

• Children in Need	£302.44
• Disadvantaged children in Africa (Toast Day)	£300.00
• Red Nose Day	£189.75
• Faith in Families /Christingle	£197.20
• Save the Children	£95.00
Total	£1084.39

Staff Matters/Development

The staff have undergone a range of training and development activities with a focus on creativity, research and the New Curriculum for Wales.. INSET training has included;

INSET Days

Sept 3rd- New Curriculum- Creating Challenge and opportunities for independent learning

Jan 7th- Dyslexia training

March 11th- Outdoor Learning 'Our Nature, Our Future'.

April 29th- Assessment, Outdoor learning and New Curriculum

July 19th- Designing a school Curriculum

July 22nd - Used as twilights for outdoor learning, lock down procedures and the New Curriculum for Wales.

All performance management cycles have been successfully completed and new targets in line with school development have been set.

Parental Involvement 2018-19

The PTA continues to be active in arranging entertainment and fund raising activities for the children. We greatly appreciate their hard work.

Parents have attended a range of church services, workshops, teacher meetings, trips and sports day this year.

Pupil Inclusion.

The Breakfast club is well attended; a stable average of 30% of children make use of the free healthy breakfast and child care.

We have a wide a wide range of after school clubs to cater for all interests. The clubs have been well attended.

Welsh

Lessons are taught through the medium of English but where possible bilingualism is encouraged. Everyday Welsh phrases are used throughout the school day and awards are given to children to encourage the use of Welsh. The Welsh Co-ordinator is Mrs Williams. Displays in the classroom and around school are bilingual.

Attendance

Statutory guidance to the governing bodies of maintained schools in Wales regarding the duty to hold meetings with parents

Guidance document no: 104/2013

The Schools Standards and Organisation (Wales) Act 2013 (The Act) removed the requirement for school governing bodies to hold an annual meeting with parents. Instead, new arrangements were introduced to enable parents to request up to 3 meetings in any school year with a governing body, on matters which are of concern to them. At Christchurch Primary School, the Governing Body will continue to produce an annual written report to parents and provide an opportunity for parents with Governors to present the report on request. The Governing Body will also continue to communicate and engage with parents over the school year via newsletters, twitter notices or surveys as necessary. Governors may call

an extra parents' meeting if they believe that an issue which affects the school needs to be discussed.

The school currently offers parents/guardians the opportunity of three meetings per year to discuss pupil progress. Periodically there are parent workshops offered or meetings called to share new initiatives and give parents ideas on how best to support their child's learning at home. In addition we operate an Open Door policy and parents are encouraged to come into school or make an appointment with the class teacher or Headteacher to discuss any issues. Christchurch Primary has a complaints policy and procedure in place; copies can be obtained from the school office or our school website.

Further advice on how parents may go about requesting a meeting with a governing body is available on the Welsh Government's website at:

<http://wales.gov.uk/topics/educationandskills/publications/guidance/parents-meetingsstatutory-guidance/?lang=en>
