

Christmas Trips 2025

This year in Christchurch Primary School we have made every effort to offer the children as many real life experiences possible to enhance their learning.

We have worked hard to poverty proof curriculum visits, by subsidising and fully funding trips and transport, to ensure we are inclusive.

This is something we are very proud of and will continue to do for as long as we can, to support the curriculum.

This is in addition to our very close partnership with 'Cwtch Mawr,' where we are lucky to receive so many charitable donations.

Christmas trips and experiences have been organised for all of the children and these are fun activities to celebrate the end of term. For these visits I would like to ask for a voluntary contribution to help cover the costs, and school will subsidise and make up the difference.

We would like all of the children to attend and appreciate that this is an expensive time of year, so wanted to give you plenty of notice. If you would like to discuss this or need help to pay please contact the office.
