

The first half term of the year is now over and everyone is ready for a well deserved break! The children will return to school on Tuesday 4th March. We will be feeling fresh and ready to leap into the second half of Spring term. After half term we will send information out regarding Parent Consultations which will take place during the week of March 24th. This will be an opportunity for you to come into school and discuss your child with the class teacher. I would like to remind you that children **do not** need to bring toys to school. There have been a number of incidents where toys have been lost, or broken and we want to avoid this happening. Thank you for your continued support. Best wishes to you all.
