Outdoor Learning

We have been invited by the children in Knelston Primary School to attend outdoor learning sessions in their school grounds, planned by the children. This will be a wonderful experience for us all to work in collaboration, and have lots of fun! One of our school development priorities is to promote and develop how we use the outdoors to enhance learning and this is our starting point. The children will bring consent forms home next week in preparation for these visits. The children will need wellies or old shoes for the visit. We do have some spares here so let us know if you need to borrow some.

Fund for All

Giving children and young people living in poverty in Wales a summer holiday

The Urdd's Fund for All gives all children in Wales an opportunity to enjoy a summer holiday, whatever their background or financial circumstance.

Parents, guardians or teachers can make an application to pay for a summer holiday at one of the Urdd's residential centres for a child or a young person from a low-income household. The fund will cover the full price of the course.
