

Eid Mubarak

On Friday 12th April we will be celebrating Eid as part of our diverse Christchurch community.

We would like to invite you to wear something special – your best outfit or party clothes. Our pupils will be leading Collective Worship and sharing information with us about this festival. All classes will be completing activities linked to EID.

We are very lucky to have a donation of some wonderful EID sweet treats/ cakes for all of the children to share. If you **do not** wish your child to have the sweet treat/cake please let us know before Friday.

Finally, Eid Mubarak to all our families celebrating at home this week. We would love for you to share some photographs with us that we can show in school.
