

I would like to take this time to thank you all for all of your support this half term. I have been made to feel very welcome and have been impressed by the children and their enthusiasm to all that has been offered to them. Thank you for the positive feedback and excellent attendance at Parents Evening. It is really important for us to work closely together to best support the children. We are re-establishing our Healthy Schools initiative so we will no longer be giving out cakes and sweets in school for children's birthdays. I hope you have a well earned rest over half term and come back to school refreshed on **Tuesday 7<sup>th</sup> November**.
