Dear Parent/ Carer,

We have been offered an exciting opportunity to work with the University (UWTSD) on an art project that will enable a selection of families from our local community to take part in Swansea's Christmas Parade.

The Parade will take place on Sunday 19th November 2023, and this year their theme is 'sensory light and stained glass windows'. As you know this is a huge event in Swansea, and this is a fantastic opportunity to get involved in something special with your child. There is a limit to the number of attendees, and so this opportunity is available to 30 children and their parent/ carer, and will be made up with families from both of our schools. As part of this fully funded collaborative 'reaching wider' project, there will be a workshop session where you will accompany your child and work with an artist to make what is needed to be part of the foot parade. All materials will be provided.

Please note you will need to attend the event with your child on Sunday 19th November. You must also attend one of the workshops listed below. The great thing about this project is you can choose to attend in either school. Just pick the date that suits you.

Tuesday 7th November 3.30-5.30pm in Christchurch Primary School

Wednesday 8th November 3.30-5.30pm in St. Helen's Primary School

As mentioned above there is a limit on participation, so spaces will be split between the schools and given to those who respond the quickest. Hopefully this is just the start of the two schools working on joint projects.

Please click on the link below to be part of the exciting festive project and book onto a workshop.

or

return the below letter by 3pm on Thursday 26th October. We will send you confirmation on Friday 27th October if there is enough space for you to attend your preferred choice.

We look forward to hearing from you,

Diolch,

Mrs Adkins and Mrs Fredrickson
