How we teach children to read and spell

When: Tuesday 7th July 2026

Time: 4-5pm

Place: Christchurch Primary School

This workshop will help parents and families understand how children learn to read and spell using phonics.

The session will be led by a literacy specialist and will be easy to follow, practical and supportive.

- During the workshop, we will learn about:
- What phonics is and how it helps children read and spell
- How phonics is taught as children move through primary school
- Simple ways you can help your child with reading and spelling at home
- Everyone is welcome, and no previous knowledge of phonics is needed.
